OFFICE OF THE DEPUTY COMMISSIONER
No 14429

MYSORE DISTRICT.

Through the Deputy Commissioner, Mysore District.

SUBJECT :—

I have the honour to state that while passing the Budget Estimates for the ensuing year 1937-38, the Board at their meeting held on 15th April 1937 have resolved that a sum of Rs 7,000/- at present being paid by the District Board for the upkeep of the Vani Vilasa Hospital, Mysore and that the contributions that a r e being paid to the four local fund dispensaries within the Mysore City Municipality be kindly waived as they are not proper charges on the funds of the District Board etc.,

2. A copy of the resolution of the Board is herewith - forwarded for favour of sympathetic consideration and orders of - Government.

3. In this connection, I may state that the payment of 1/3rd cost of expenditure as contribution to the Vani Vilas Hospital was sanctioned long back when there were no maternity aid in any of the Taluks of this District. In recent years maternity hospitals and wards have been sanctioned in Krishnarajanagar, Nanjangud, Hunsur and other places and the District Board quota of expenditure is being met every year. In addition to this as sanctioned by Government in their Order No.G.3411-33 P.H.90-35-12 dated 20/24th November 1936, maternity homes also have been started in several places and the proportionate quota is being paid by the Board to the Medical Department.

4. It is ordered by Government in Order No.11950-70/Med.

81-28-5 dated 5-4-1930 that the Board has to meet half the cost of expenditure in respect of the maintenance of the maternity hospitals. This is an additional burden devolved on the scanty resources of the Board.

5. I therefore request that in view of the facilities created in the mofusils at considerable cost and in view of the crippled finances of the Board, the resolution of the Board may be favourably considered and orders passed.

I have the honor to be,

S i r ,

Your most obedient servant,

P R E S I D E N T ,
